

# Do you want to be a Crossover?

Some athletes enjoy being on more than one team and are referred to as CROSSOVERS. Athletes must commit to and compete on more than one team. If you are interested in being considered as a crossover please let us know by returning this to your coaches. You must be able to uphold ALL commitments to the multiple teams you are assigned to including but not limited to practice schedule, competition schedule and additional fees. This option is not for everyone. The commitment of time and money is increased.

- Crossovers can only cross 1 level to be eligible to attend Summit and/or Worlds
- NOTE: We will do tentative team placements within a few weeks for choreography purposes. BUT kids can absolutely move up through the summer & even into the season!
- Crossovers will be asked on an as needed basis depending on positions that are available on certain teams. We will need to maintain max tumbling ratios with the appropriate number of stunt groups.

- Please return this by June 15th!

- Note: coaches cannot make exceptions to the crossover fees.

Crossovers are responsible to pay:

- Tuition for the highest level team
- 1/2 of Choreography Fee for their second team
- Competition Fees applied to crossovers. Typically the amount is half or a percentage of the full athlete fee.
